Bibliotecas

- Máscaras

angular2-text-mask

<https://www.npmjs.com/package/angular2-text-mask>

```
npm install angular2-text-mask --save
```

ng2-currency-mask

<https://www.npmjs.com/package/ng2-currency-mask>

```
npm install ng2-currency-mask --save
```

// In your App's module:

```
import { TextMaskModule } from 'angular2-text-mask';  
import { CurrencyMaskModule } from "ng2-currency-mask";
```

```
imports: [  
  ...  
  TextMaskModule,  
  CurrencyMaskModule  
]
```

Bibliotecas

- Gráficos

ng2-charts

<https://www.npmjs.com/package/ng2-charts>

```
npm install ng2-charts@2.4.2 --save
```

```
npm install chart.js@2.9.3 --save
```

// In your App's module:

```
import { ChartsModule } from 'ng2-charts';
```

```
imports: [
```

```
  ...
```

```
  ChartsModule
```

```
]
```

Bibliotecas

- Drag-drop

ng2-dnd

<https://www.npmjs.com/package/ng2-dnd>

```
npm install ng2-dnd@5.0.2 --save
```

// In your App's module:

```
import { DndModule } from 'ng2-dnd';
```

```
imports: [
```

```
  ...  
  DndModule.forRoot()
```

```
]
```

Import the `style.css` into your web page from
`node_modules/ng2-dnd/bundles/style.css`
